ULISSE:

Per nove giorni vagai,
la decima notte gli dei mi
gettarono sull'isola Ogigia,
dove vive Calipso dai bei
capelli, la dea che parla
con voce umana.
Lei mi accolse ed ebbe

Introduction to the new collections — Pantelleria island / Sicily

Isola di Pantelleria

Lodge p.30

ENG The deepest blue sea and the clearest sky, rugged coastlines and intense light, fiery sunsets, mistral and sirocco winds: Pantelleria is the very essence of the Mediterranean. Suspended between Sicily and Africa, its environment is both harsh and enchanting like a captivating weave of past and present, a mystery that reveals itself only with patience and respect, before welcoming you into its embrace.

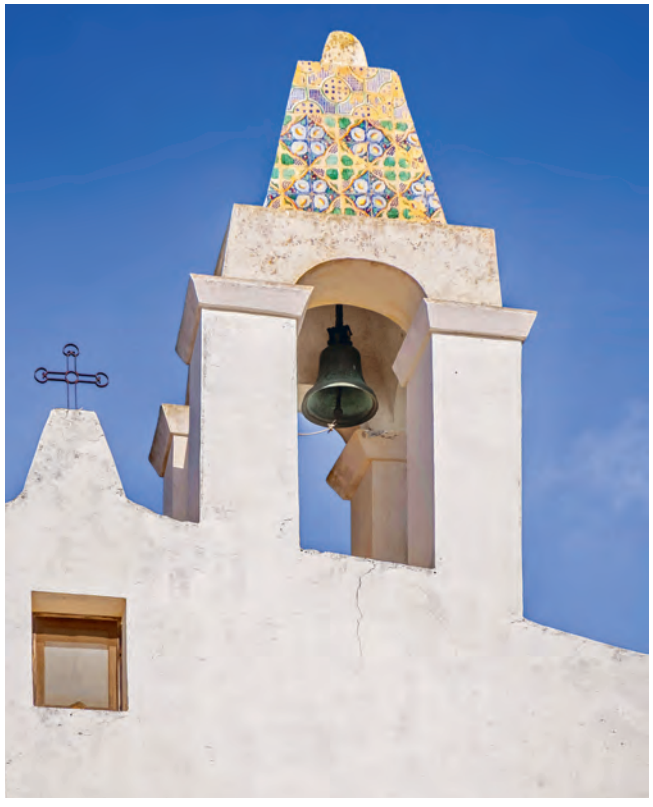

ITA Il mare più blu e il cielo più limpido, coste frastagliate e luce intensa, tramonti di fuoco, maestrale e scirocco: Pantelleria è l'essenza stessa del Mediterraneo. Sospeso fra la Sicilia e l'Africa, il suo ambiente è difficile e al tempo stesso incantatore, come un affascinante intreccio fra passato e presente, un mistero che si lascia decifrare solo con pazienza e rispetto, prima di accogliere nel suo abbraccio.

Introduction to the new collections
— Pantelleria island / Sicily

ENG The age-old pursuit of balance between humanity and the environment finds its perfect synthesis: the dammuso. Thick stone walls provide ideal shelter from the blazing sun and fierce winds. The rounded white dome an unmistakable nod to its Arab origins channels every precious drop of water into a cistern. A symbol of ingenuity and resilience that, like the natural elements, helps make Pantelleria a truly unique and magical place.

ITA La millenaria ricerca dell'equilibrio fra l'uomo e l'ambiente trova una sintesi perfetta: il dammuso. Le spesse pareti di pietra formano un riparo perfetto dal sole ardente e dal vento impetuoso. La tondeggiante cupola bianca, inconfondibile richiamo delle sue origini arabe, convoglia in una cisterna ogni goccia d'acqua preziosa. Un simbolo di ingegno e tenacia che, come gli elementi naturali, contribuisce a rendere Pantelleria unica e magica.

Seeds p.100

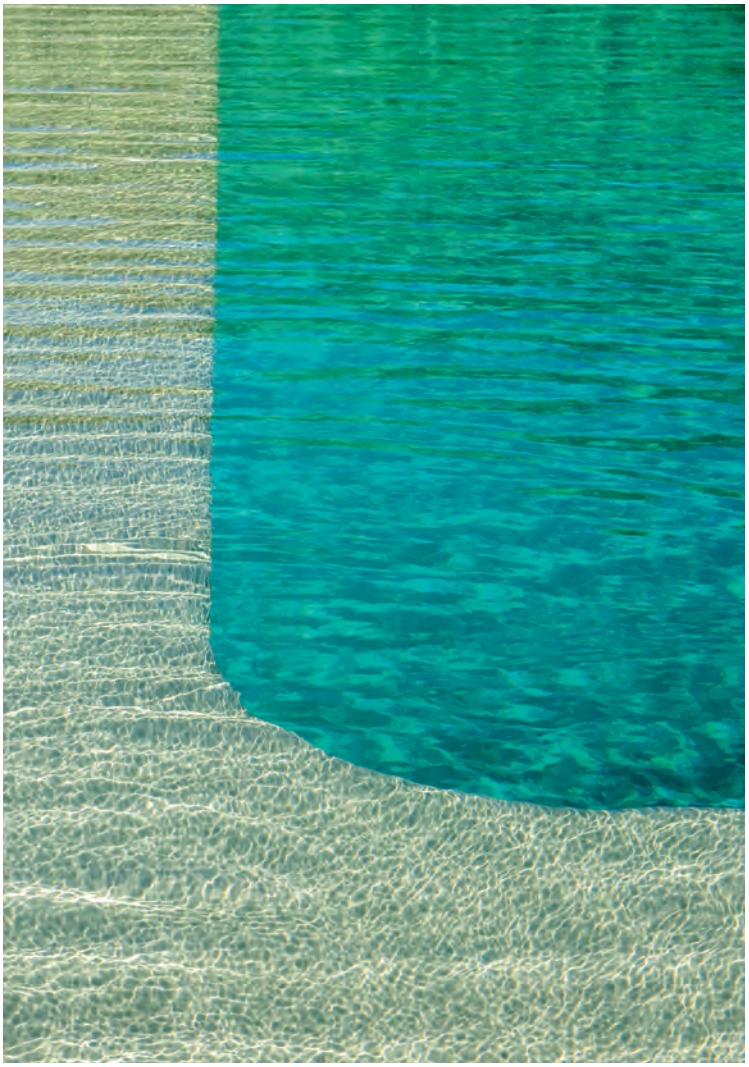

ENG Overlooked by a towering mountain, Pantelleria's landscape never ceases to amaze with its vitality. From the broom shrubs that paint the black volcanic rock in shades of yellow, to the dry-stone walls that enclose gardens and orchards creating the perfect conditions to cultivate even the smallest patch of land this island thrives in the colors of Mediterranean scrub and the scent of grapes carried by the wind.

ITA Sovrastato da una montagna imponente, il paesaggio di Pantelleria riesce a sorprendere per sua vitalità. Dalle ginestre che tingono di giallo la nera roccia vulcanica, ai muretti di pietra a secco che racchiudono orti e giardini, creando le condizioni ideali per coltivare anche il più piccolo fazzoletto di terra, fra i colori della macchia mediterranea e il profumo dell'uva portato dal vento.

ENG Beyond water, air, fire, and earth, the island's fifth element is silence. A profound and fiercely protected stillness, in which one can fully immerse to rediscover the pleasure of slowness to sense the vibrant contrast between raw textures and polished simplicity, in chromatic harmony with nature. To understand Pantelleria is to attune oneself to a different rhythm of time, to recognize in every pause an invitation to be truly present.

ITA Oltre all'acqua, all'aria, al fuoco e alla terra, il quinto elemento dell'isola è il silenzio. Una quiete assoluta e custodita gelosamente, nella quale immergersi per ritrovare il piacere della lentezza, percepire il vibrante contrasto fra trame grezze e lucida essenzialità, in continuità cromatica con la natura. Perché comprendere Pantelleria, significa entrare in sintonia con un tempo diverso, riconoscere in ogni pausa un invito alla presenza.

Introduction to the new collections — Pantelleria island / Sicily

ENG The mosaic of shadow and light, the texture of a tall dry-stone wall, the tactile allure of clay, wood, and metal. A secret garden holds a universe of emotions, creating a sheltered space, a welcoming microclimate, an island within the island. Every gesture, even the simplest, takes on a deeper meaning. Every moment becomes a silent tribute to nature, to beauty, to life.

ITA Il mosaico dell'ombra e della luce, la texture di un alto muro di pietra a secco, le seduzioni materiche dell'argilla, del legno e del metallo. Un giardino segreto racchiude un universo di emozioni, genera uno spazio protetto, un microclima accogliente, un'isola nell'isola. Ogni gesto, anche il più semplice, prende un significato profondo. Ogni istante diventa un omaggio silenzioso alla natura, alla bellezza, alla vita.
